## **YMCA RecPlex Welcomes Courtney Wetzel to Cheer Staff**

**Lancaster, OH** – The YMCA RecPlex is pleased to announce the appointment of Courtney Wetzel as the newest member of its cheer staff. Courtney will be leading the RecPlex's Cheernastics program, bringing her extensive experience and passion for cheer to the role.

Courtney Wetzel has been involved in cheer for the past nine years and will graduate this May 2025. Her competitive background includes participation in "The Summit" championships in Orlando, Florida, and "NCA," where her teams achieved 3rd and 2nd place finishes.

"Cheer has been a main part of my life and where a lot of my favorite memories come from," states Wetzel. "I have been coaching and providing private lessons to close friends and family since 2020. Cheer is where my heart is, and I'm so excited to graduate and begin my adult career with YMCA Delta Force Allstars."

Wetzel's commitment extends beyond technical skills, as she aims to provide mentorship to athletes. "I can't wait to be that coach any athlete can come to with anything, cheer-related or not. (Coaches like that, created my love for the industry, and that's what I want to give back.) I can't wait to make memories for season 19!"

The YMCA RecPlex and the YMCA Delta Force Allstars welcome Courtney Wetzel and anticipate a successful season 19 under her guidance.
