A MESSAGE FROM OUR BOARD CHAIR AND CEO

Dear Y-Family and Friends,

As we reflect on 2024, we are filled with gratitude for the allegiance of our community, partners, and dedicated staff who make our mission possible. The YMCA continues to be a cornerstone of opportunity, health, and connection, and in 2024, we have taken meaningful steps to expand our reach and impact.

We strengthened programs that serve families, youth, and individuals of all abilities, ensuring that everyone has access to the resources they need to thrive. From wellness initiatives to community partnerships, our commitment to fostering an inclusive and supportive environment remains at the heart of everything we do.

We extend our sincere thanks to our members, donors, staff, and volunteers—your dedication fuels our progress and inspires us to continue building for the future. Together, we are making a difference, and we look forward to the opportunities ahead.

MADDIE'S RESILIENCE

Madelyn, the youngest of five, is known for her energy, humor, and radiant smile.

In 2021, a devastating car accident left her with severe injuries, including facial fractures and the loss of her teeth. Despite these challenges, Maddie's undeniable resilience guided her recovery.

Just eight weeks after the accident, Maddie returned to the YMCA of Lancaster & Fairfield County RecPlex as a member of the Gymnastics Team—a place that had always been a source of strength and belonging for her.

The support of her coaches and teammates at the Family YMCA of Lancaster & Fairfield County helped her stay motivated, celebrating every achievement and fueling her perseverance.

Today, Maddie is thriving. Her determination and positive spirit continually inspire all who meet her.

"Driven by our mission, we are committed to building a stronger, healthier community where all people—regardless of background or circumstance—have the opportunity to learn, grow, and thrive. Through programs that nurture the spirit, mind, and body, we create lasting impact for generations to come."

HERE FOR GOOD!

At the YMCA of Lancaster & Fairfield County, we are more than just a place to work out—we are a mission-driven organization dedicated to strengthening our community in meaningful ways.

For over 98 years, we have demonstrated our commitment to providing opportunities for all, ensuring that everyone—regardless of age, background, or income—has access to the resources they need to grow, connect, and thrive.

We believe that strong communities are built on strong individuals and families. That's why we offer programs that go beyond fitness, focusing on youth development, healthy living, and social responsibility. Whether it's providing swim lessons that save lives, creating a safe space for children in afterschool programs, or supporting families with financial assistance, we are here to make a lasting difference.

Our commitment is not just for today or tomorrow—it's for good. Every dollar donated, every hour volunteered, and every life changed helps us build a foundation that will benefit generations to come. When you join the Y, you're not just joining a gym; you're joining a movement that believes in the power of community, kindness, and collective impact.

Together, we are HERE FOR GOOD.

**We're not just here
for now—we're
HERE FOR GOOD.**
